County Work Report

Work reports distributed and discussed. Cost-share agreement for Taylor Shoreline Protection project approved at October meeting has been voided at the request of the landowner.

Update on SEH Feasibility Analysis for Little Round Lake Hydraulic Design

Report and structure design reviewed. Olson noted that a critical element in the "preferred option" recommended by SEH is lowering the CTH NN culverts. Motion by Zietlow, second by Mrotek, to recommend the Finance Committee "earmark" \$175,000 of cash reserves for a potential Little Round Lake Dam project. Motion carried.

Callahan Lake Association AIS Grant Sponsor

The Callahan Lake Protective Association has requested the County sponsor a DNR grant for treatment of Eurasian Water milfoil. The Association has provided a resolution ensuring financial reimbursement for project expenditures. Motion by Mrotek, second by Riedmann, to approve County sponsorship of a DNR AIS Rapid Response grant for the Callahan Lake Protective Association to treat Eurasian Water milfoil. Motion carried.

Approve Cost-share Agreements

No business
