To Round Lake Residents:

Subject: **Volunteer Hours concerning invasive species and milfoil.**

Round Lake Property Owners Association has finished the second of a three year \$57,900 Wisconsin DNR Aquatic Invasive Species Grant (AIS). To comply with and to maximize RLPOA grant reimbursement we need to report volunteer hours to the WDNR.

Please report both time spent inspecting for milfoil/invasive species either on the shore/shallow waters or in a boat. Time learning about milfoil or invasive species including meetings discussing same is also eligible for volunteer time reporting. Boat usage also counts and is reimbursed.

Reporting time is valid if you found milfoil or not.
YOU DON'T NEED TO BE AN "OFFICIAL" DESIGNATED RLPOA SHORELINE VOLUNTEER TO REPORT HOURS.

A PDF form available on www.roundthelake.com can be used if so desired but an email with approximate time and dates is also acceptable.

Anyone that spent time inspecting any shoreline or waters of Round & Little Round Lakes can report their time doing this to:

Tom Kintzinger
PO Box 67
Hayward, WI 54843
tk25@roundthelake.com
715-462-3770
715-699-8752 cell

Or

Dan Kollodge
dankollodge@comcast.net
651-714-1340

Thank you in advance for your help with this and let us know if any question. Your reporting is needed as soon as possible.
