Subject: Aquatic Plant Management Plan (Round and Little Round Lakes)

Dear Mr. Strachota:

I want to thank you for submitting the Aquatic Plant Management Plan on behalf of the Round Lake Property Owners Association, Inc. (Sawyer County). The Department of Natural Resources received this plan on December 1, 2008. It was approved by the Round Lake Property Owners Association board via an email vote, following the November 20, deadline for public comment. I have reviewed the plan and it includes all of the elements listed in NR 198.43 (1). It is well written and I feel it is a good plan to guide the Lake Association aquatic invasive specie control efforts into the future. I approve the plan and recommend that it be eligible for an Established Infestation Control Grant under our Aquatic Invasive Species Control Grant Program. Please send me a hard and electronic copy of the final plan.

Good luck implementing the plan.

Sincerely,

Jim Kreitlow
