

Dear Members,

After further consideration and current awareness of conflicts, both in the availability of certain of the directors and also facilities, we must inform you that the general membership meeting tentatively scheduled for June 8 has been postponed to a date yet uncertain. Please feel at liberty to contact Association President, Tom Wolf (414-433-9133) with any questions or comments you may have on lake issues in the interim.

Note also that the Association annually proposes a slate of directors at its Fall membership meeting. Several seats on the board will need to be filled as current directors reach the end of their term. Please consider whether you or someone you know would be interested in participating in the Association in a director capacity. If so, please alert Mr. Wolf, or another current director, of your interest.

Regards,

Tom Wolf
