Dear Mr. Homuth:

The Round Lake Property Owners Association had their general membership meeting on May 26, 2007 with over 100 persons attending. At this meeting Mr. Jeff Eaton made a presentation concerning Peninsula Road and the issue of a 7 foot wide versus a 10 foot wide easement.

There was a motion made supporting a 7 foot wide easement on Peninsula Road. This was supported unanimously at the meeting.

The Round Lake Property Owners Association Board and General Membership supports a 7 foot wide easement on Peninsula Road for the reasons stated in Mr. Eaton's petition.

Your favorable consideration would be much appreciated.

Sincerely,

Bob Strachota, President RLPOA

Tom Kintzinger, VP & Sec RLPOA
