

Perfect Parade Hot Weather

July 4, 2012 was picture perfect. The sun, sky and water were as bright as they could be. It was the ideal backdrop for the 11th Annual Round Lake Boat Flotilla.

Although very humid, it was nice to see that the participation and enthusiasm had not melted away. There were decorated pontoons and boats filled with enthusiastic residents and visitors, including some four-legged friends. Patriotic music filled the air. Wilbur, the water skiing pig, made his rounds. It's a fun tradition which keeps on going in good or bad weather.

The Flotilla is held at Noon on the Fourth of July and boats assemble at the west end of Squaw Bay and proceeds around the bay.

If you've never participated or been a spectator, make sure to put it in your calendar for 2013! We'd love to make the 12th Annual Flotilla the biggest and best!
