

Lakes Forum sets spring meeting

All lake association representatives, officers and friends of lakes are invited to the spring meeting of the Sawyer County Lakes Forum from 9 a.m. to noon Saturday, May 13 at the Comfort Suites on Highway B in Hayward.

The business meeting will be conducted from 9-10, followed by a 10-minute break.

At 10:10 a.m., the forum will hear from guest speaker Pamela Toshner, the Wisconsin Department of Natural Resources lake management coordinator for the Northern Region-West. She fills the post that was held by Dan Ryan for many years.

Toshner has been asked to discuss plans for lakes in the region, with special emphasis on Sawyer County lakes. A few minutes will be allowed for questions of the speaker.

From 10:50-11:30, there will be a round-table discussion during which organization members and individuals can present brief statements of their concerns and can suggest activities and programs they would like the forum to undertake.

The officers of the Sawyer County Lakes Forum are Bruce Meyers, president; Dale Anderson, vice-president; Waldo Asp, secretary; Chuck Block, treasurer; and Ken Swenson, board member.

The forum's mailing address is P.O. Box 20, Hayward, WI 54843. Its Web site is www.sawyercountylakesforum.org.
