Task Force sends recommendation to county board

[Will LaBreche](#) / Web Editor/Staff Writer/Photographer
Last updated: Friday, November 09th, 2007 08:31:07 AM

At its last meeting, the Round Lake Task Force on Thursday moved to send a firm recommendation to the Sawyer County Board of Supervisors pertaining to the engineering study received last week by SEH Engineering of Rice Lake.

The Land and Water Committee will also make a recommendation to the Finance Committee to set aside \$175,000 to fund the proposed \$134,750 watershed project.

The items being sent to the board are:

1. To support amending the 1941 PSC order to reflect the natural variations of the lake.
2. To submit an application to lower the Highway NN culverts.
3. To consider a new structure and weir to replace the wood box structure currently in place.

Look for full coverage of this item in the Sawyer County Record.
